### **As The Flower Of Our Years Begin To Fade**

As the flower of our years begin to fade  
We start to reflect on where we have gone  
And wonder just what is up ahead  
Life being so short and so fragile  
We are here today, with no promise for tomorrow  
What can we say we have accomplished?  
Was it all for ourselves,  
or for Elohim's glory that we sought?  
Did we really seek to know Him,  
or just to hear about Him?  
Will we have wasted our years  
on things that did not really matter,  
or come to understand what really does?  
Did we surrender to Him completely,  
or are we still hanging on to this present life  
that will soon vanish away?  
As we reflect in our hearts before Elohim  
Where we are now,  
and where we desire to be  
Is our hope in this world,  
or on life that is everlasting ?  
Yeshua said, I am The Way, The Truth, and The Life  
Will we choose to serve ourselves,  
or bow the knee to Him?  
He is the only One Who has promised  
to complete the work He has begun in us  
to those who's lives are completely surrendered to Him  
So that when we leave this life He will be able to say,  
"Well done thou good and faithful servant"  
"Enter into the joy of your Lord"

### **Lead Me Oh Yehovah**

Lead me oh Yehovah  
Show me what it is You want me to do  
For no matter where You take me  
I want to stay close to You  
Light my path ahead  
When roadblocks appear on every side  
I will wait upon You  
Knowing somehow You will guide  
For what may appear to be open  
Somehow You manage to shut  
Doors of opportunity that would so often  
put me into a rut  
I must wait and be still  
Know You have my every interest in mind  
And will fulfill the purpose You have for me  
As I take one day at a time

### **Take My Hand**

Take my hand and lead me  
Take me where You want me to go  
and what you want me to do  
Yehovah, by Your hand let me know  
That I may follow the plan You had for me  
before the world began  
to bring forth fruit for Your glory  
when I became born-again

### **Your life is in My hands**

Your life is in My hands My child  
Do not be troubled by what has taken place  
Soon you will begin to see a new you  
that is a reflection of My glory and grace  
The time of weeping shall surely pass  
And a time of joy that shall surpass  
all you had to endure by going through  
will all be made up to you  
in the knowledge and joy of knowing  
Me My will for your life, and My sovereignty

### **Will you let Me lead you**

Will you let Me lead you,  
even though you do not understand?  
I know that this is hard for you,  
but it is not without My hand  
I will not give you more than you can bear,  
for you know My Word is true  
And you know that I will always be there  
to share in what you are going through  
And as you partake of My sufferings,  
you will partake of My glory too  
For all things work together for good  
to those who love Me  
And I will workout My good purpose in you

### **Little At A Time**

A little at a time  
You answer my prayers  
And one by one  
You let me know You care  
As You begin to gain my trust  
and cause my faith to grow In You  
And not to create such a fuss  
when the liming as not my own  
When there are times I would like to give up  
and pray that You would lake me home  
I realize my life is not in my hands  
It is all in Your sovereignty  
And fitting in with Your plan

### **Yehovah meet me in my night**

Yehovah meet me in my night  
Let me not be afraid of the dark  
When the day and the night  
are both alike unto You  
and You live inside of my heart  
You must calm my inner fears  
when they want to grab hold of me  
knowing by Your Spirit, You are near  
ready to give me Your inner peace  
Speak peace be still to my soul  
And woo me in Your love  
keep me warm from the cold  
Security in You is all that I need  
no matter what I go through  
as long as You are in me

### **Now that I know**

Now that I know  
what has happened to me  
No one wants to help  
How I long to be set free  
I feel isolated, alone to myself  
Still I know You are with me  
You comfort me inside  
Though now there appears to be no way out  
In You will I hide  
As I wait patiently for You  
Not knowing what You plan to do  
and where You are taking me  
Still I must trust in You

### **When I sought after You**

When I sought after You with my whole heart  
You allowed an affliction to take hold of me  
with not allowing me to know what had happened  
Yet with all my heart Yehovah I clung to Thee  
I was misunderstood by my family  
You caused everyone to stand at a distance  
so that You alone would help me  
through a storm that I was up against  
You had me in Your Word day and night  
with Your Spirit inside to comfort me  
Things I never knew in Your Word before  
You caused my eyes to see

### **You have hemmed me in on every side**

You have hemmed me in on every side  
I can only look up  
and gaze into Your eyes  
Only Yehovah You know, the way that I take  
You control the storm  
and the winds that blow against my face  
How I want to hide in You  
as the storm keeps raging on  
Though it doesn't appear to even move  
I still hope to see a glimpse of the sun  
Surely I have to wait and be still  
and put my trust in You  
and see how You will deliver me  
from what I am going through

### **The desires of my heart**

The desires of my heart  
are heard by You before I speak  
You know when I awake  
and when I lay down to sleep  
All my ways are ever before You  
and with each step I take  
You know everything I do beforehand  
and when I will make a mistake  
My life to You is like a rerun  
You know what is up ahead  
When I should keep going  
and when I should stop and rest  
Surely You have numbered my days  
You know when I will take my last breath  
when I will see You face to face  
Alive, and never really dead

**Daughter, look to Me and find rest**

Daughter, look to Me and find rest  
For there is nothing else you can do  
Why be anxious?  
For I have ordered your steps  
in what is happening to you  
I know every thought that enters your mind  
and that you long for deliverance  
and it will happen in My time  
Be still, and know that I am Elohim  
Nothing is too hard for Me  
Even the deliverance you long for  
just keep praising Me

**I have heard your Prayers**

I have heard your prayers  
and in your night, I am always there  
I feel what you are going through  
And you have endured it for a long time  
But know that I am always here to help you  
To make you strong, when you are weak  
To give you a place of refuge,  
as you abide in Me

### **You Have Put Me In A Place**

You have put me in a place that feels so insecure  
There appears to be no way out  
Surely it takes patience in time of trial to endure  
when you struggle with fear and doubts  
I am forced to look more intently upon You  
never having gone this way before  
Having to stand on Your Word which is true  
and cry out for mercy, "Please help me oh Yehovah!"  
Surely I have pleaded with You over this  
Though I pray Your will be done  
I inwardly fear what I may financially miss  
since my health is gone  
Surely I have to trust in You Yehovah  
with what I don't understand  
What appears to be out of my control  
I must leave in Your hands  
Surely You have put my life to the test  
Will I wrestle, worry, and cling to  
or give it to You, let go, and find rest

### **Have I Not Written Your Name**

Have I not written your name  
in the palm of My hand?  
Your whole life I see before Me  
It all has a plan  
My will for you I will undertake  
Your steps are ordered by Me  
There is no mistake  
Do not be unsettled by what  
has taken place  
What appears to be a roadblock  
I will make a way  
That way you come to learn and know  
and put your trust in Me  
And I will guide you  
to what you so long for  
and desire to see

### **My Life Seems Like It's Standing Still**

My life seems like its standing still  
Only time keeps passing me by  
I remember days when I was so busy  
Even then I took one day at a time  
Since the marriage breakup it seems  
what really happened is like a dream  
Until I wake up with the reality,  
a new beginning, a new life  
now single, no longer a wife  
Still I know, Elohim stays by my side  
Now I am finding out things  
I never knew before  
It was not time to know then  
but now Elohim has finally opened up the door  
to finding out what I have been going through  
concerning a illness I had  
that no one understood, only Elohim knew  
And now I wait and see  
what plan He has in store for me .  
while my life seems like its standing still  
waiting on a prayer I long for Him to fulfill

### **I Am a Stranger In A Foreign Land**

I am a stranger in a foreign land  
Predestined and chosen by Yehovah  
before the world began  
And though this world is not my home  
I am not an orphan  
left all alone  
You have come to dwell forever inside my heart  
by your Holy Spirit  
Who will never part  
But will finish the work You have begun in me  
as a spotless bride before the presence of Your glory

### **Open My Eyes**

Open my eyes to the simple things in life I see,  
to the beauty of Your creation,  
getting away from all that is distracting to me  
You are calling me to get away for a time,  
knowing how unsettled life can be,  
and to spend some quite moments just You and I  
where Your lovely presence will replenish me  
Open my eyes to the truth in Your word I see  
and all the treasures found in it  
as Your Spirit opens up Your truth to me  
Showing me things that I need to understand,  
about You Yehovah and my life with You  
and how it all fits within Your plan

### **Rest In My Will**

Rest in My will  
Learn to wait and be still  
Abide in My love,  
and I pour out My Spirit from above,  
upon you in such a way,  
your life will never be the same  
My desires are within your heart,  
to fulfill in My time  
and its beginning to start  
as you open yourself up to Me,  
you will find My Spirit within you  
blowing stronger than a breeze

### **There Was A Time**

There was a time  
my life appeared to be in the clouds  
Now everything looks brighter,  
sunshine has headed my way,  
because I am free now  
Thirteen years had gone by  
not knowing what was wrong with me  
No one else knew or understood  
what only Elohim could see  
He revealed Himself to me  
in a way I never knew before  
He took away my fears,  
and gave me His peace and comfort  
in the middle of a raging storm  
He began to sing His Word to me in my night  
Though the storm never ceased  
The songs kept coming  
His Word became my light  
Now comes the dawn  
Winter is now over  
I can now feel the sunshine

### **My Times Are In Your Hand**

My times are in Your hand  
Help me to commit each day to You  
and to learn all that I can  
of each day what You would have me to do  
For the distractions of this life are many  
Without You they could pull me away from You  
Draw me in Your love, by Your Spirit renewing me  
and be aware of Your presence in everything I do  
Help me Yehovah this day,  
to stay very close to You

### **Hidden Treasure**

Elohim uses our weakness  
so in Him we can be made strong  
When we have come to our end  
that is when His Spirit within  
gives us His strength to carry on  
This treasure hidden in our earthen vessels  
can be ignored for quite some time  
Till finally Elohim comes along  
and shakes our little nest  
it is then we begin to learn how to fly  
He is so close, we miss what is so simple  
Our heart is where He has made His home  
And our body has become His temple  
That is where He desires to belong  
And He longs to abide with you inside  
and commune with your very soul  
His peace you will find  
with a love so divine  
as His inner presence begins to unfold

### **Let Me Not Be Afraid**

Yehovah, let me not be afraid of Your will for me  
No matter what form it may take  
Even though its beyond my understanding  
of what is taking place  
My one desire is to do Your will  
and the plan You have for my life  
You long to fulfill  
Let me not be afraid of the deep valleys,  
or the clouds that hover from above  
But wholly shield and protect me  
in Your sweet love  
As the light appears brighter in the night  
though it is still there in the day  
so let Your presence always be with me  
and let me not be afraid

### **Every Day**

Every day is a special day  
walking with You  
In the night there is always light  
when I know You will see me through  
Yeshua, You are The Way  
You are The Truth and The Life  
that turns my night into day  
The companionship of Your Spirit  
I know I am not alone  
He lives inside my heart  
He makes Himself right at home  
And He is there to stay  
to lead and guide me every day

**He Is Risen!**

He is risen!  
Death could not hold Him in the grave  
He was crucified, then raised in glory  
taking all our guilt and shame  
He is risen!  
And now there is forgiveness  
at the foot of His cross  
Taking away all our sins  
Leading us back to The Truth when we were lost  
He is risen!  
He sent His Holy Spirit  
to give us new life from above  
And He gave us the power  
to become the children of Elohim  
He is risen!  
And satan has been cast out!  
Yeshua reigns as King of Kings and Lord of Lords  
and to Him every knee shall bow

## **The Resurrection**

Dark clouds hung overhead  
as Yeshua hung upon the cross  
As the soldiers made sure He was dead  
His disciples were at a total loss  
When His final words "It is finished "  
must have brought despair to their minds  
The most important things Yeshua had told them  
they could not remember at the time  
Yeshua was then buried in a rich man's tomb  
All the disciples knew was He is dead  
their only hope was gone so soon into gloom  
Then on the first day of the week  
Mary Madalene arrived,  
she told the disciples the tomb was empty  
He is risen! He is alive!  
But they would not believe her,  
though Peter then ran to get there soon  
to where Yeshua had laid, only to find it empty  
except for His linen cloths lying there inside the tomb  
Peter then wondered, at what had taken place  
Everything Yeshua had previously said  
in Peter's mind had been erased  
And then it finally happened, behind closed doors  
Yeshua suddenly appeared in the room  
like He never had before  
He said to them, "Peace be unto you"  
and they were glad to see the Lord  
Then eight days later.  
They were again behind closed doors  
Yeshua suddenly appeared in the room  
just like He had before  
He said "Peace be unto you!"  
it was then Thomas finally sees the Lord,  
who was full of doubt until He appeared,  
then Yeshua looked at Thomas and said, "reach your finger here,  
look at My hands, and reach your hand and put into My side  
Thomas cried out, "My Lord and my Elohim!"  
Only then did he believe and realize  
Yeshua said to him, you believe because you have seen  
Blessed are those who have not seen and yet believe

### **In The Inner Sanctuary**

In the inner sanctuary I have found a place to hide  
Inside my temple, You will I find  
Where I find sweet solitude in Your presence within  
Where true prayer comes from You,  
that is where it all begins  
Inward flows living waters deep within my soul,  
where Your well never runs dry,  
it always overflows  
Your love so very deep,  
and hard to comprehend,  
anymore than You dwelling in me  
by Your Spirit within

### **Every Day, Every Moment**

Every day, every moment  
I desire to be with you  
Every step that you take  
My footprint will also be there too  
Every time your soul delights in Me,  
the desires of your heart  
I long for you to have and see  
As you lift up your prayers  
as an offering unto Me

### **The inner struggles I go through**

The inner struggles I go through,  
are like spiritual growing pains  
Of learning to give it all to You  
so in losing I will gain  
As I step down and allow You to reign  
You are desiring my total surrender  
when it seems so hard to let go  
of something I never went through before  
in my flesh I still want to control  
Still it is out of my hands  
no matter what I try to do  
somehow You manage to put it beyond my reach  
so I will end up giving it over to You

### **Yehovah, You Know What Is Best For Me**

Yehovah, You know what is best for me,  
when things don't happen  
the way I thought it should be  
You lock all the wrong doors  
that I would choose to walk in,  
when You know what is up ahead,  
and what would be a dead end  
Yehovah You open all the right doors,  
when it is time for them to open,  
with a blessing in store  
Your protection and guidance  
is what I need,  
as You lead the way,  
like a shepherd goes before his sheep

### **What My Hand Allows, Be Not Afraid**

What My hand allows, be not afraid  
It is all in My plan, be not dismayed  
Nothing can happen to you  
unless permission was given from above  
and with a purpose I do choose,  
what comes through My hand to you in love  
My desire is that you put your complete trust in Me,  
and through it, you will bear good fruit  
for all to taste and see,  
and know that I work all things for good  
to those who love Me

### **Living Waters**

I will lead you to pastures green,  
through quite still waters  
where you will find rest and peace  
Deep down inside your very soul,  
it is there I abide,  
where My Living Waters flow  
It is there your well will never run dry,  
as it springs forth from within you,  
giving you eternal life

### **I Died To The Old Life**

I died to the old life  
where I was dead indeed,  
through the bondage of sin and death,  
where I was held in captivity,  
until He drew me in His love  
and set my spirit free,  
allowing Yeshua to come in,  
and by His Spirit He quickened me  
Like rising from the dead,  
my soul became alive  
Death holds no more sting,  
because in Yeshua, I have eternal life

### **We Are To Walk In Newness Of Life**

We are to walk in newness of life,  
being led by Your Spirit,  
we are no longer to strive,  
to be under the law we could not keep,  
for with it came the knowledge of sin,  
that brought us all under sin's penalty  
Through the law of Your Spirit,  
You impart new life from within,  
causing us to walk in Your ways,  
and consider ourselves dead unto sin  
For we are to consider ourselves alive unto Elohim  
Who has raised us to new life  
by giving us His Holy Spirit from above  
So that we should walk in the Spirit instead of our flesh  
No longer striving to live godly in our own power  
for through the Spirit we have His righteousness  
And even though we still sin by missing the mark  
we have an Advocate with Messiah Yeshua  
Who will give us a brand new start  
As we confess our sins, He forgives all the way  
cleansing us from all unrighteousness  
as we come boldly to the throne of grace  
Having received atonement for our sins  
through the cross where Yeshua paid our debt  
so we can live for eternity with Him

### **Your Spoken Word**

Your spoken word, is a comfort to my soul  
Giving me a word of encouragement,  
when I need to be told  
A time of renewing, when my heart is in despair  
A refreshing of Your presence,  
with a blessed assurance that You are there

### **Yehovah, I Am Tired And Weary**

Yehovah, I am tired and weary  
"Please refresh my soul!"  
Knowing how my flesh is so tired and weak,  
with situations that are beyond my control  
I know not where You are taking me,  
when my situation still remains the same  
Yet I know, You are still on the throne  
and in my heart You reign  
Cause me then to not lose heart, nor to be afraid  
Though I be left humanly alone,  
You will remain my stay

### **Yeshua Understands**

People may misunderstand  
what we do or say,  
but Yeshua understands all our ways  
We have someone,  
when we feel lonely and blue  
Yeshua is always there,  
to listen and to talk to  
He understands how we are,  
when others stand at a distance,  
He is not very far  
And He is ready to listen,  
as you open up your heart,  
Who understands you,  
when others find it hard

### **The Atmosphere Of Heaven**

I love to breathe the atmosphere  
of heaven in my soul,  
for that is where You have made Your home  
Yehovah, blow Your wind my way,  
by Your Spirit I pray  
Refreshing and renewing me from within  
as I consider myself dead unto sin,  
and alive unto You,  
because I am a creation that is new,  
with new life from within,  
when I became born-again

### **Rest Your Life In Me**

Rest your life in Me  
For I am with You on this journey  
Where you are heaven bound  
Know that I will keep you safe and sound  
For your life is hidden in Me  
Where with Me you will spend eternity  
Place your hand in Mine  
And walk with Me through this life  
I will be a companion that is true  
One who will never leave or forsake you  
But I will keep you by My power  
And I will take you home to be with Me  
in your final hour

### **The Fragrance Of Yeshua**

May the grace of Elohim  
always shine upon you,  
with this new life,  
that is in fill bloom  
May you always be filled  
with His heavenly scent  
The fragrance of Yeshua  
through His Spirit within  
And that those around you  
may smell this sweet perfume  
The fragrance of heaven  
Messiah Yeshua in you

### **Yehovah, Why Must The Road Always Be Hard?**

Yehovah, why must the road always be hard,  
rocky and never smooth?  
If I allowed that My dear child,  
you would not learn to trust Me, but only you  
Yeshua, why must this vessel remain marred,  
where others can see through the cracks?  
My grace is made perfect in weakness, though scarred  
like the nails that pierced through My hands  
Yehovah, when will Your hand move the other way,  
instead You have allowed it to remain?  
No more will I allow you to bear  
than what is allowed for heavenly gain

### **Yehovah, I Don't Want To Be Angry With You**

Yehovah, I don't want to be angry with You,  
when I am going through one of my moods  
My child, our moods are given to change  
but I will always remain the same, in spite of you  
    This afflicting problem hinders me,  
    and becomes very draining  
    But I will still abide in you,  
giving you My grace, even though its still remaining  
    In this life my Lord, will it ever stop?  
And will you still choose to serve Me,  
    even if I were to will it not?  
Yehovah, You know I will serve You  
    To whom then shall I go?  
    No other way,  
My child shall you choose  
For you, I continually hold

### **Elohim Sees The Tears You Cry,**

Elohim sees the tears you cry,  
    and He feels them too  
    He understands why  
your're feeling the way you do  
In a bottle He puts your tears,  
    for they are in His book  
    In your heart He is so near,  
where you will never to be misunderstood  
    You only need to come to Him,  
so He can help you when you are hurting  
For He will love you, and subdue the pain,  
for His Holy Spirit has a way of comforting  
    Weeping may endure for the night  
    but joy comes by morning

### **In The Morning, As I Awake**

In the morning, as I awake  
I feel Your loving presence Yehovah  
As You wake me up this day,  
to let me know what You have in store  
Knowing You will make Your schedule clear  
of what You want me to do  
as You give me another day to live down here,  
to love and serve You  
By Your permission it is given to me  
with a purpose Yehovah, or it would not be  
So help me not to waste Your time today  
on the things of this world that are vain  
But help me to stay close to You,  
doing Your will in all that I do

### **Yehovah, I Will Praise You With All My Heart**

Yehovah, I will praise You with all my heart,  
for all You do for me  
And for all the grace You impart,  
which is so unlimiting  
Life in You is so fiill and so free  
for abundant life is what You bring

### **Wait Upon Yehovah**

Wait upon the Yehovah,  
and see what He will do,  
when the road is blocked  
right in front of you,  
and there is no way to get around it,  
so that you can pass through,  
and nothing appears to change  
no matter what you do  
And when you have done all you can  
you know that is with Yehovah,  
and that it is in His hands  
Nothing is too hard for Him to do  
He could part the waters  
so that you could pass through  
His timing is what blocks the way,  
He is waiting for the right moment,  
to bring you into the right place,  
where He can be glorified  
for making a way

### **Come, I Invite You To Drink**

Come, I invite you to drink  
from the greatest to the least .  
A drink you will never thirst again,  
for it flows from within  
A well that will never run dry,  
its My love for you I bestow  
A love relationship between and I  
and it will never grow old  
To all who are thirsty, let Me come in  
I will fulfill the longing of your soul  
From the world you will always thirst again  
and its taste will get stale and grow old  
What I give you, renews you every day  
with a eternal purpose in mind  
where with Me you can spend eternity  
as a child of Mine

### **Will You Still Choose To Follow Me**

Will you still choose to follow Me  
when troubles come your way  
you thought could never happen,  
and had to be a big mistake?  
And what you had hoped for,  
it was not My will to be  
And blessed are you,  
if you are not offended with Me  
Will you still choose to serve Me  
not only when situations go right  
but when all appears to go wrong  
and becomes dark instead of light?  
And no light appears ahead of you  
as far as you can see  
and all your questions as to why  
still remain empty?  
Will you still be willing to trust in Me  
no matter what I bring?  
And blessed are you  
if you are not offended with Me  
As the heavens are higher than the earth  
so are My ways and thoughts higher than yours  
And beyond your rational standard  
and capacity to understand and discern  
Will you still choose to question Me  
as One Who inhabits eternity?  
And blessed are you, if you are not  
offended with Me

### **One Day Is As A Thousand Years To Me**

One day is as a thousand years to Me  
and a thousand years as one day  
I do not dwell in time, but eternity  
The day and night to Me are the same  
Time does not hold Me in  
But I hold time, from beginning to end  
My days are without number  
and I am Omnipresent with you  
I never sleep or slumber  
For My years are without end  
You can not hold me  
anymore than you can hold the wind  
But it is I Who holds you  
Who keeps you in all your ways  
and Who is able to keep you from stumbling  
and present you faultless before My face

### **You Need To Watch And Pray**

You need to watch and pray,  
least temptation knocks at your door  
You need not go to answer it,  
but only I, your Lord  
For the battle is not yours, but Mine  
And I will conquer when your flesh is so weak,  
and grant the grace you need in time  
for my Spirit within you will intercede  
As you abide in Me,  
and continually remain in prayer,  
know that I am ready to answer you,  
for in your heart I Am always there

**Be pleased to dwell within my soul, oh Yehovah**

Be pleased to dwell within my soul, oh Jehovah  
For I am filled with Thy desires  
when I opened to You my heart's door  
And my soul ever yearns for the love of Your fire  
I have come to My enclosed garden  
to examine the fruits thereof  
to taste what is Mine  
more sweeter than wine  
from heaven above  
Be pleased to dwell within my soul, oh Lord  
Your love is so awesome and pure  
that my body can hardly endure  
as You fill me with the fullness of Your love  
My bride, you are fair and beautiful  
Filled with My life from above  
You are radiant and pure  
and all My love you will endure  
From your temple made from above

**May Yehovah Bless You This Day**

May Yehovah bless you this day  
in a very special way,  
with His love within your heart,  
He will complete what He did start,  
the work He has begun in you,  
He will keep you faithful and true,  
as His spotless bride,  
no blemish will He find  
for He took away your sin,  
and put His Holy Spirit within  
Though the wonder of your birth  
The latter being greater than the first  
When He gave you new life from within  
the day you became born-again

### **Yeshua, Lover Of My Soul**

Yeshua, lover of my soul,  
You quietly love and console,  
as I lean upon Your breast,  
You gently love and caress,  
as You draw me into Your presence

### **Under His Wings He Will Cover You**

Under His wings He will cover you  
In His shelter you will come to trust  
As the storm continues on,  
He will shield you in His love  
as His grace is poured out to you from above  
He will not allow the storm to touch you,  
when outside it continues to rage  
On the inside you will find a place to hide  
Through His grace you will be sustained

### **On The Wings Of The Spirit**

There was a time  
you were settled in your little nest  
You were in a comfort zone  
You had not been put through the test  
until Elohim's timing is right  
when you are to test those wings  
that is when through the Spirit  
you will learn you can fly  
On the wings of the Spirit  
we will learn to soar above the clouds  
when we realize we can not do it  
that is when Yehovah will show us how  
and make us see what we have within us  
that will carry us through every trial  
For on the the wings of Spirit  
there is victory now

### **You Are My Comforter**

You are my comforter Who holds me in the night  
And when there is trouble all around me  
You stay here by my side  
Holy Spirit you are there to protect me  
to comfort and to guide  
no one can love me the way You do  
In You I have found a place to hide

You are my Comforter Who helps me when I pray  
with inner groanings that cannot be uttered  
when I do not know what to say  
You begin to intercede for me  
according to Elohim's will  
with the desires of the Father  
in me You long to fulfill

You are my Comforter Who gives me such peace and rest  
And when there is no one else to comfort me  
You woo me to Your breast  
Such love no words can describe  
and in my heart what You mean to me  
Holy Elohim, third person of the Triunity  
You are my Paraklete

You are my Comforter who dwells within me  
My body is Your temple  
to bring You glory  
And You will never leave or forsake me  
For Yeshua, You are my bridegroom  
Your Spirit is my guarantee  
that as Your bride I will be in heaven with You

### **Light My Way Oh Yehovah**

Light my way oh Yehovah  
Make Your way plain to me  
so I can know Your will  
Learn to wait and be still  
as You light Your way to me

Sometimes its hard to wait  
when it seems time keeps passing you by  
No door appears to open right away  
but it will happen in the Yehovah's time

Sometimes its hard to surrender  
the situation you are in  
But if you give it to Yehovah completely  
you will have His peace within

### **We Are Not Like Those Who Are Asleep**

Knowing the time, we are to stay awake!  
We are not like those who are asleep,  
our salvation is nearer now, than when we first believed  
The world and its desires will soon pass away  
only those who do His will can remain  
The times we are in, make it so very clear,  
Yeshua is at the door  
Before we know it, He'll be here  
Like a good servant who keeps working till He comes,  
we wait for the Lord  
when He will come and snatch up His own one by one  
Before we know what has taken place  
we will be at home with our Lord  
in His loving embrace

**Yeshua You Are Sovereign In All You Do**

Yeshua You are sovereign in all You do  
Nothing takes place without permission from You  
All You desire, shall come to pass  
For You are The First and The Last  
The things done in our flesh will all burn away  
only what we do through Your Spirit will remain  
As we store up our treasures in heaven  
not on things that are on the earth  
As we get rid of the old leaven  
and allow our love for You to be first  
As we realize our lives are hidden in You  
The world is passing away  
and the desires of it too  
What will only remain  
is whatever we do as unto You  
For that in which our treasure is  
Our heart will also be there too

### **In the Valley There Is Growth**

As I stand upon the mountain top  
I look down into the valley below  
It all looks so very green  
while upon the mountain its all covered with snow  
Such lovely flowers are in the valley  
where a gentle river flows  
It is all such a beautiful scene  
when you see all the growth  
Sometimes we are led into the valley  
and the rain begins to fall  
So many times we wish the sun would appear  
when the winter seems so long  
But Yehovah knows how long to keep us there  
when our trial keeps lingering on  
He is concerned about the good fruit we will bear  
as our faith is being tried, and we are made strong

### **Lonely Traveler**

Lonely traveler along the way  
Feel so lonely  
except when I pray  
I know Yehovah, You are with me  
even though I see no one traveling my road  
No one I can relate to  
I feel pretty much on my own  
Surely there must be a reason  
beyond what I don't understand  
And there will be a time and a season  
it will all fit in Your plan  
When it seems so difficult and alone  
Your presence is ever with me  
through this long narrow road

### **I Knew Him Better In The Night**

I knew Him better in the night  
then when everything was day  
When trials hit me from every side  
it was then I really learned how to pray  
When I felt so all alone  
Your Holy Spirit would come by my side  
Let me know that He was within me  
And there His presence would abide

### **My Life Is In Your hands**

My life is in Your hands  
Into Your hands do I resign  
Even though I don't understand  
Your plan is for me,  
except knowing there is a heavenly design  
You are still working behind the scenes  
of what will soon come to pass  
Soon it will all become a reality  
What You build is durable and will last  
And what stood patience for a long time,  
will finally win through it all  
Soon the fruit will mature and be ripe,  
and will be ready to be tasted by all  
Yeshua will be glorified Who caused it to happen,  
though the time appeared like it would never end  
What appeared to be in the grave  
has finally risen again

### **See the lilies of the field**

See the lilies of the field  
that neither toil or spin  
They are arrayed with such beauty,  
and yet King Solomon was not arrayed  
as one of them  
Clothed in radiant color  
when they are in full bloom  
They fill the air with such a sweet perfume  
If Elohim takes care of even the least of these,  
how much more shall He not take care of you?

### **You Are My Rock Oh Yehovah**

You are my Rock oh Yehovah  
A strong foundation against life's storms  
A shelter You have been for me  
Though disturbing on the outside,  
yet inside I have Your peace  
For as I pass through the waters  
You are with me,  
and as I walk through the fire,  
You will not allow me to be burned,  
except what will burn away worldly desires  
so as to look to You Who endures

### **See The Sparrows That Neither Sow Or Reap**

See the sparrows that neither sow or reap,  
nor do they gather into barns  
And yet your Heavenly Father feeds them,  
and yet not one falls to the ground and is harmed,  
that is apart from Your Father's will,  
Who watches as they fly with such skill  
Are you not more value than many of them,  
the sparrows in the air  
that fly against the strong wind?  
If Elohim then takes care of even the least of these,  
how much more than  
will He not take care of you and me?

### **Do Not Be Anxious For Your Life**

Do not be anxious for your life,  
nor about your tomorrow  
There is enough troubles in just one day  
without the troubles of the next day that follow  
You do not have to struggle this way,  
if you surrender each day unto Me  
Excepting My will in whatever takes place,  
you will find My rest and peace  
Unburden all your life unto Me,  
and your cares will be relieved  
My yoke is easy and My burden is light,  
when you completely surrender to Me

### **The Light Of Your Presence Yehovah**

The Light of Your presence Yehovah,  
is where I want to be  
In Your Light is truth  
And in Your Light we see  
You light my path before me,  
through Your Word which is true  
Your Spirit is there to remind me,  
Your Word is a love letter to me from You  
And all the treasures found in it  
You have opened my eyes so I can see,  
as revealed by Your Holy Spirit,  
all the promises with eternal life  
You have given to me

### **Elohim's Grace Will Always Help You Along**

Elohim's grace will always help you along  
For when you are weak, He remains strong  
Strong in you, to carry you through  
by His Holy Spirit Who dwells within you  
Giving you His grace to carry on  
And in your night, He will give you a song,  
with a prayer to the Elohim of your life  
as the One Who keeps you through your night

### **There Is A Time And A Season**

There is a time and a season  
for everything  
For all that will come to pass,  
and the outcome it will bring  
And just as there is day  
and there is night  
There are situations that change,  
that become dark as well as light  
And as we go through life's seasons  
that are beyond our understanding  
and reason  
of whatever has come to pass,  
that it was not by mishap or by chance  
Elohim controls all the weather patterns  
as well as all circumstance,  
and works it for good to those who love Him,  
in all things that come to pass

### **If You Are Risen With Messiah**

If you are risen with Messiah,  
set your affections on things that are above  
Not on things this world delights  
or the world we no longer love  
The world and all its things  
will all pass away,  
only what we do for Him will remain  
We have already died to this world,  
no longer to live for worldly gain  
Our citizenship is in heaven  
where our treasures there will remain  
And there will our hearts be also  
For that is where we will spend eternity  
Walking with our Lord on streets of gold  
None compared to what our earthly eyes have seen

### **Will We Choose To Believe The Truth**

Will we choose to believe The Truth,  
or will we choose to believe a lie  
The manner of life we choose to live,  
will decide our fate when we die  
And if we set our eyes on what is temporary,  
so shall our name be  
When we leave this life,  
Yeshua will say, I never knew you,  
depart from Me  
But if we choose for that which is eternal,  
and Yeshua is Who we serve and long for,  
when we leave this life, Yeshua will say  
welcome home faithful servant,  
enter into the joy of your Lord

### **Yehovah, Let Me Hide In You**

Yehovah, let me hide in You  
for that is where I desire to be  
As these clouds keep passing through  
continually hover over me  
My life is hidden in You,  
for that is what I was predestined to be  
No matter what I go through,  
only You do I see

### **Don't Worry My Child**

Don't worry my child,  
I have answered to your unspoken words  
in what you are going through  
Before you were troubled, I understood  
And I will make provision  
for what has taken place  
Don't be unsettled, but trust in Me  
I will make you strong,  
in spite of your weakness  
Take heart, and know your future is  
in My hands

### **Yehovah Your Spoken Words**

Yehovah Your spoken words  
are a comfort and encouragement to my soul  
When my words can not be heard  
You hear them before they unfold  
You intercede to words unspoken  
when I am unable to utter a prayer  
Your Spirit comes with inner groanings,  
in my weakness, He bears

### **The Mountains Show Forth Your Majesty**

The mountains show forth Your majesty  
And the clouds in the background display Your glory  
The sun that shines at noon day  
resembles the rays of glory that shine from Thee  
And as the sunsets when its almost dark  
the sky paints forth colors displaying Your work of art

### **I Praise You Lord, For You Are Worthy**

I praise You Lord, for You are worthy  
You are Elohim alone,  
and no other shall there be  
You created all things,  
and in You we move and have our being  
I worship You for Who You are,  
The Dayspring, and The Morning Star  
We are Your children who are born-again,  
by the will of Elohim and not by man  
You have come to dwell forever inside our hearts,  
for by Your Spirit we are marked

### **Dwell In Me As I Dwell In You**

Dwell in Me as I dwell in you  
Your body is My temple  
I want to live My life through  
You surrender all to Me  
And I will make you a Vessel  
fit for My glory

### **Yehovah, As Your child, I Come To You**

Yehovah, as Your child, I come to You  
Asking You to take my hand and guide me through  
I do not know where You are taking me  
So take my hand, and You lead  
Trusting You, in what I don't understand  
I am Your child, that is in Your hands  
Looking to You, in all that I do  
Learning to wait upon You

### **You Are The One Who Comforts Us**

You are the One Who comforts us  
in all our tribulation  
So that others may share in our consolation  
With the comfort the Spirit gives to us  
as He fills us with Your love

### **My Love For You Is Endless**

My love for you is endless  
As timeless as eternity  
I chose you before the world began  
and knew you would come to know Me  
I had paid the price for your sins  
And drew you to Myself  
It was then you became born-again  
For I delivered you from hell  
By My will it was meant to be  
that as My child  
you would spend eternity with Me

### **My Temple Lord Is Thine**

My temple Lord is Thine,  
where You dwell in me,  
and fill me with Thy love  
that is so divine,  
with Thy gentle breeze  
Where my soul is gently caressed,  
when I lean against Thy breast,  
as You draw me by Thy Spirit  
And as I drink from the well  
of Thy salvation,  
my soul is satisfied with  
with Thy heavenly consolations

### **Of His Fullness Have We Received**

Of His fullness have we received,  
and grace for grace  
For in Messiah we have everything  
We are a royal race  
A race that is not of this world,  
But a citizen of heaven  
To Him we are that special pearl  
He paid a great price for our redemption

### **Your Hand Is In My Hand**

Your hand is in My hand  
So why should you be afraid?  
No one can keep you like I can,  
for you, My hands have made  
And you I will not forsake  
For I have graven you  
in the palm of My hands  
And I have ordered each step you take.  
For I see your whole life span  
And I will keep you in all your ways  
For with you, I have a plan  
So do not worry and be afraid  
For your My child, that is in My hands

### **We Are The Sheep Of His Hand**

For by grace we are saved through faith  
Nothing we can earn or of ourselves partake  
It is a free gift of Elohim,  
and a sovereign act of His grace  
when He draws us to Himself  
and we become saved  
Through His everlasting love  
we are born from above  
Not by the will of man,  
but by the will of Elohim  
Predestinated and chosen  
before the world began  
He caused us to become His own  
We are the sheep of His hand

### **Father, Your Will Be Done**

Father, Your will be done,  
no matter what it may be  
For we agree as one,  
as You are in me  
If there had been another way,  
would I not have known?  
For with You, there is no mistake,  
You are Elohim alone  
And if it be possible not to drink this cup,  
unless its Your will that I drink it  
Let Your will be done  
on earth as it is in heaven  
Like Your Beloved Son  
I must choose to obey  
And to drink whatever You may send  
though there be trials that continually remain  
Only good will work out through them  
to all those who love You  
With blessings and glory that follow  
to those who remain true

### **Every True And Perfect Gift Comes From Above**

Every true and perfect gift comes from above  
Coming down from Heaven  
through our Heavenly Father's love  
All we have received,  
we cannot earn to partake I  
For He severs as He wills  
each gift He gives to us through His grace  
And whatever be our weakness,  
the gift He bestows all compensates  
with the good fruit it bears in us  
as we minister to others in His name

### **Yehovah, I Am A Cast Away Stone**

Yehovah, I am a cast away stone  
Left humanly alone,  
except knowing You are here inside of me,  
as One Who understands what no one can see  
the hardship I go through, when others tend to ignore me  
My eyes have cried many tears  
through all the years,  
when everything seemed to go wrong,  
I understood more who I belonged  
When an affliction took hold of me,  
and those I closely knew stood at a distance,  
not able to understand what they could not feel or see,  
It was then I felt so humanly alone,  
until I came to preceive Yehovah,  
You were deep inside my very soul  
You were the only One Who drew near  
when I cried out to You, with my eyes so fiill of tears  
You drew me into Your arms, and took away my fears,  
You would not suffer my soul to be alarmed,  
by the rulers of darkness that tried to do me harm  
Yehovah, You made Yourself known  
as You shielded me from the wicked darts of the enemy,  
through a spiritual battle I could not cope  
Your Light shone forth from within me  
so that I could see,  
It was You Who lived there,  
though I understood not, until You had rescued me

### **Why Should I Try To Run And Hide**

Why should I try to run and hide  
from the trials that surround me on every side?  
They would only follow me  
no matter what I do,  
so that I, Yehovah, only look to You  
The trial may be brief,  
or can be delayed  
Still I have a place to hide,  
from within, You remain  
In Your presence inside there is such sweet peace  
As I surrender to You my burdens  
I feel a blessed release

### **Yehovah Let Your Spirit Flow Through Me**

Yehovah let Your Spirit flow through me,  
filling me continually  
With You Yehovah I will never thirst again  
from Your river that flows from within  
As You continually each day renew my soul,  
drawing me by Your Spirit  
Your love never gets old

### **As You Are Getting Older**

As you are getting older  
no longer as youthfull as before  
Take one hard look back at your life  
What have you done with your Lord?  
And what about those Elohim holds so dear  
What did you do to them?  
When you reach eternity the matter will be clear  
What you did was also to Him  
Your life is a gamble when played your way  
when death knocks at your door and you finally awake  
to what you hoped was a bad dream  
will be in reality your biggest mistake

### **Do Not Let Me Give Into My Inner Fears**

Do not let me give into my inner fears  
no matter how real they may be  
Knowing Lord, You are always near  
to help and guide and to provide for me  
You have ver let me down  
So why am I afraid of a new change?  
You will always keep me safe and sound  
For yesterday, today and forever, You are the same  
I have been through so many trying times  
and You have always seen me through  
I have been through more rain then sunshine  
and it always seems to bring me closer to You

### **Let Me Not Be Afraid Of What Is Ahead Of Me**

Let me not be afraid of what is ahead of me  
when You know the way  
When there are problems up ahead I see  
Yehovah, You have me to walk by faith  
Knowing by Your Word You are faithful  
in each and every step I take  
Knowing my life is in Your hands  
and You will provide for me every day  
You will set a schedule before me  
of what You want me to do  
Giving me the strength and the wisdom  
to do Your will in a way that will glorify You  
I have no plans of my own,  
except the faith that You will guide me  
and will bring me safely home  
where with You I will spend eternity

### **Holy Spirit Let Your Presence Fall Upon Me**

Holy Spirit let Your presence fall upon me  
Be my comfort in this storm  
Give me rest and peace  
As the waves continually get higher  
Allow Your grace to take me to new heights  
Till I see Yeshua more clearly  
Darkness that can not prevail The Light  
I completely surrender You  
Let Your will be done in me  
No matter what it may render  
Allow Your glory to be seen

### **Yeshua Is Sleeping His Head Upon A Pillow**

Yeshua is sleeping His head upon a pillow  
as the storm keeps raging on  
He sleeps so calmly without a stir  
while His disciples are so very alarmed  
They wake Him up from His peaceful sleep  
as the waves keep reaching beyond  
He speaks the words "Peace be still"  
And all of a sudden, it becomes very calm

Leaning upon You in my thoughts  
Where I choose to rest  
As the storm keeps lingering on  
I repose myself upon Your breast  
Where I receive Your comforting love  
Such love the world cannot comprehend  
Where I have found a place to hide  
and it flows from within  
As You put your arms around my very soul  
Drawing me by Your Spirit  
You become a shield from the cold

### **Though Dark Be The Night**

Though dark be the night  
And I feel the cold winter breeze  
You will hear me cry  
Desiring Yehovah to be near Thee  
To feel the warmth of Your Light  
and feel the touch of Your breeze  
The touch of Your presence  
To shield me  
When Your light arises  
Darkness must flee  
Fears becomes smothered  
By Your inward peace

### **If You Are Risen With Messiah**

If you are risen with Messiah  
Set your affections on things that are above  
Not on the things this world delights  
For this world we no longer love  
For the world and all its things  
will all pass away  
Only what we do for Yeshua will remain  
We have already died down here  
No longer to live for worldly gain  
Our citizenship is in heaven  
Where our treasure will remain  
And there will our heart be also  
For that is where we will spend eternity  
Walking with our Lord on streets of gold  
None compared to what our earthly eyes have seen

### **See The Lilies Of The Field**

See the lilies of the field  
They neither toil or spin  
They are arrayed with such beauty  
And yet King Solomon was not arrayed  
as one of them  
Clothed in radiant color  
when they are in full bloom  
If Elohim then takes care of the least of these,  
How much more shall He not take care of you

### **I Have A Blueprint For Your Life**

I have a blueprint for your life  
that is unique, and not your own  
You were stamped and sealed with  
My Holy Spirit within you  
By Divine ownership, to Me you belong  
No longer to live for yourself  
But to be used by Me  
Not to be set aside upon a shelf  
But pliable in My hands you will be  
I want to make you a vessel  
to be used for My glory  
In My timing it will take place  
when they see you  
it will be a reflection of  
My glory and grace  
which shall shine upon you  
to all you will minister too  
with the hope of seeing Me  
Yehovah their Elohim  
and the eternal life that I bring  
For I have come  
to set the captives free

### **Touch Of Your Breeze**

Though dark be the night  
And I feel the cold winter breeze  
You will hear me cry  
Desiring Lord, to be near Thee  
To feel the warmth of Your Light  
And feel the touch of Your breeze  
The touch of Your presence  
to shield me  
When The Light arises,  
darkness must flee  
Fears are gone  
by Your inward peace

### **Trust Me One Day At A Time**

Trust Me one day at a time  
Do not get ahead of yourself  
I will now leave you without a purpose  
Empty, alone on a shelf  
I will make My purpose clear  
And you will know when it is time  
So do not worry or be afraid  
For in Me, you will glorify

### **Light In My Darkness**

The night cannot hide The Light  
that is within my soul  
You shine forth from within me  
I know I am not alone  
No matter what I go through  
Lord, You will always be near  
To be the light in my darkness,  
and take away my fears

### **A Reflection Of Me**

Though the trial may appear to be harsh  
It is only there to make you strong  
So that you will begin to have a reflection of Me  
Though the trial may appear to be long  
And through it all the good fruit it will bring  
As your faith is being tried and made strong  
Will in the outcome bring honor and glory to Me  
And will more than compensate  
for what appeared to go wrong  
When you will reign with Me in glory

### **Though The Road Be Uncertain**

Though the road be uncertain  
And many obstacles in my way  
Still Lord your grace will rise above it  
And I will be sustained  
Higher and higher I shall climb  
Till I can see the valley below  
As my heavenly vision becomes more clear  
So the grace that You bestow  
As I am seated in heavenly places above  
And Your presence to draw me near  
With the revelation of Your everlasting love  
Till I see You Yeshua, ever so clear

### **The Closet Of Your Heart**

The closet of your heart  
is where I dwell  
Where I commune with your soul  
and prayer will prevail  
As My Spirit will intercede  
when you are unable  
And though your flesh is so weak  
My Spirit is capable

### **Broken Vessel**

Broken vessel  
Broken, wore out, and bruised  
Laid aside, humbled and tried  
Waiting for the Master's use  
Worldly ambition is crushed from within  
Only for Elohim alone  
With the promise of heaven  
All that appeared to be gain  
Is now considered loss  
Only Elohim's will remains  
No matter what it costs

### **Be At Peace My Dear Child**

Be at peace My dear child  
Do not allow the events to  
trouble your mind  
Everything will fall into place  
So do not worry, just in Me abide  
Keep Your mind stayed upon Me  
Allow heaven to fill your thoughts  
Realize in all you do you do for Me  
no matter what the cost  
Your life is truly in My hands  
so rest your soul in Me  
As I unfold the plan I have for you  
just surrender, and let it be

### **For Your Word Says**

Yeshua, only You know why things  
happen the way they do  
For your Word says, "Lean not to my own understanding  
but to put my trust in You  
Only You can lead me  
and guide me each day,  
as I look to only You,  
for Your Word says, "You are The Way"  
Only You can give me wisdom  
to discern what is true,  
to follow and do what is right,  
for Your Word says, "You are the Truth"  
Only You can bring me out of darkness into Your Light,  
as You quicken my dead soul,  
for Your Word says, "You are The Life"

### **Tried By Fire**

Tried by fire  
Refined as pure as gold  
The life hidden in Messiah  
will began to unfold  
As the dross is burned off,  
till only what is genuine will remain  
What was counted as loss,  
in Messiah becomes pure gain,  
and will bring glory to Yehovah  
Who brought you through this way

### **Your Presence**

I want more of Your presence Yehovah  
Knowing You are my Elohim,  
and its You I adore  
Longing and yearning for more  
of Your grace  
Wanting to be near You,  
in Your loving embrace  
To feel Your gentle wooing inside my soul,  
as You fill me with Your love that is so deep,  
beyond words untold  
The security of Your presence  
as I draw near  
Knowing You are that close  
I have no need to fear  
Taking me out of the earthly realm,  
into a spiritual heavenly kingdom  
where no cares are felt  
Only You can bring me there,  
into Your throne room,  
to behold My Beloved, so fair

### **There Is A Mountain Just Ahead**

There is a mountain just ahead I see  
And this is where Yehovah has led me  
To climb that mountain to the other side  
And as I look up, I couldn't help cry  
Yehovah it's too high and it's too steep  
It would take too long to reach that mountain peak  
There are so many loose rocks, that I'd surely fall  
I just wouldn't be able to make it up at all  
But He said, unto me "Put your hand in mine  
and trust in Me, as we make that mountain climb  
I will lift you up with My right hand  
You shall not fall, but you shall surely stand"  
But Yehovah, I'll stumble so many times  
My discouragement will be too great to make  
that mountain climb  
Though you may stumble  
Another step you have taken  
never to retrace it again  
From where you were shaken

### **Yehovah Has His Hand Upon Me**

Yehovah has his hand upon me  
In the moment of my distress  
Though I am now filled with confusion  
I know I shall soon find peace and rest  
For Yehovah has answered me  
For He has heard my cry  
And He shall bring me out of darkness  
Back into His marvelous light  
I shall praise Thee for my situation  
And for that You're about to undertake  
Knowing it is Thee, I have my eyes upon  
I shall see my deliverance take place

### **Israel You Are Restored As A Nation**

Israel you are restored as a nation  
as once foretold long ago  
You're fig tree branch has become tender  
and put forth it's leaves  
But not all yet is restored  
The Jews who are scattered throughout the countries  
will all come back to their own land  
Yehovah hath declared it.  
Though He has scattered thee  
Because of your iniquities  
Yet in His mercies He shall gather thee  
Like a shepherd does his flock  
He shall bring thee home again  
For Yehovah hath redeemed thee Jacob,  
and ransomed thee from the land  
of him who was stronger than thee  
And thee an everlasting covenant shall Yehovah make unto thee  
He shall plant His Love and fear within your hearts  
so that ye shall not depart from Him  
And He shall be your Elohim, and you His people  
Gog, Magog, Oh Russia  
What do you think you are trying to do  
surrounding a land of riches that become a great nation

### **The Shroud Of Turin**

As I gaze upon the Shroud of Turin,  
an awesome figure I see  
An image of a crucified man  
with a face that appears so serene  
Blood trickling down His long hair and unto the brow  
from puncture wounds surrounding  
the front and back of His head  
Where He wore a thorny crown  
Every pain in His beaten body can be read  
And though His eyes were closed shut  
He has the appearance of a peaceful slumber  
But the numerous scourging marks  
from His front to back are beyond belief  
As many as over one hundred can be numbered!  
Appearing naked for all to see  
Yet His hands that were nailed through the wrists  
are crossed over His male gender  
in a manner of such modesty  
As the marks of Yeshua's crucifixion are clearly seen  
From the crown of thorn wounds in His head,  
the spear wound in His right side,  
to His nail pierced hands and feet  
The Shroud of Turin most astoundedly confirms  
of what the Holy Scriptures say about Yeshua,  
and why He came to this earth  
Still the controversy goes on to this day  
Is this truly the burial cloth of Messiah Yeshua  
with His image imprinted upon it?  
Or is it really a fake?  
Yet no one has been able to to exactly reproduce  
or figure out how the image was made  
And if the Shroud of Turin were a fake,  
still the Holy Scriptures concerning Jesus  
do not make any mistakes  
But if the Shroud of Turin is genuinely to be  
As it is being shown for all to see  
Then perhaps this is Elohim's way,  
of putting man's redemption on display

### **The Sparrows**

As I observe the sparrows, as they make their nest  
And watch as she sits there, seemly at rest  
Until suddenly, the male sparrow appears  
with a worm in his mouth  
He has come to feed her, so she doesn't have to go out  
So the eggs she is sitting on, do not get cold  
Oh, what a wonder to behold!  
And now they have hatched, those little birds  
They are so tiny and so cute  
The sweetest little chip you ever heard  
As the male sparrow comes again to feed her  
And then she begins to feed her little birds  
Then not before long, she is getting about  
And here she comes, with something in her mouth  
As she and her male companion take turns  
in feeding their little birds  
Its not to long after that, they are big enough to fly  
As I have watched, and enjoyed their company  
It is hard to say good-bye  
But oh the wonder of seeing the loving care  
Elohim gives to these little sparrows to the end  
And to think, we are of more value than many of them

### **Fill Me Yehovah With Your Heart's Desire**

Fill me Yehovah with Your heart's desire  
that I may know You more  
and have the love relationship You want me to have  
when I first opened my heart's door  
That my life may be filled with the fullness of Your love  
as You draw me intimately more and more  
by Your Spirit sent from above  
being filled more than ever before

### **What I Go Through**

The night can not hide  
The Light that is in my soul  
You shine forth from Within me  
I know I am not alone  
No matter what I go through, Yehovah  
You will always be near  
to be the light in my darkness  
and take away my fears

### **It Came To Pass**

And it came to pass.....  
those quite moments you have with Elohim  
And it came to pass.....  
that He compassed you with His love  
And it came to pass ..... ..  
He directed your steps this day  
And it came to pass.....  
You heard Him say "Go this way"  
And it came to pass.....  
His will was done in your life today  
because it came to pass  
you surrendered to His will when you prayed

Morning and evening  
sunshine and rain

### **My Child Please Wait Upon Me**

My Child please wait upon Me  
and see what I will do  
wait only upon Me  
and know that I will see you through  
I will not give more than you can bear  
and in the outcome there will be a testimony  
you will be able share

Abba, Father how I love you  
no words can express what you mean to me  
a mist all the trials I have been through

### **Knowing the time**

Knowing the time, we should not be  
like those who sleep  
Our salvation is nearer now,  
than when we first believed  
The times we are in make it so very clear  
The Yeshua is at the door  
Before we know it, He'll be here  
Like faithful and wise servants  
Who know and do His will till He comes  
We await for our Lord  
Who will come to snatch us up one by one  
Before we know what taken place  
We will be at home with our Lord  
In His loving embrace

### **Talking To Yehovah**

Its hard Yehovah to live down here  
Pray and receive grace to continue  
Do not want to see through a glass so darkly  
As you continue to behold Me  
The glass will become more clear  
I want to see more than a reflection of Your glory  
I know I do not deserve that  
No one deserves My grace, that is freely given  
Open your heart and I will fill it  
But how, and when will it happen?  
As I prepare your heart, you will receive  
Do not let it tarry long my Yehovah  
I long for You  
More than what I must undertake  
I hear your heart's cry  
Winter will soon pass  
Springtime is coming  
In Me you will spiritually bloom

### **I Woke Up In Your Love**

I Woke up in Your love  
Flowing from within me  
So beautiful it transcends  
Anything of this earth  
So heavenly, it causes one to desire  
to be stayed upon You  
My heart with inner longings  
desires to remain  
in Your holy presence  
So close, it is within reach  
Buried deep within my soul

### **Eternity**

Eternity is within my soul  
Heaven bound  
Holy Spirit You have made Your home  
Holy Temple is where You reside  
In my body  
That is where You will I find  
Renewing my very soul  
Grace will abound  
Until Yehovah, You are ready to take me home

### **I KNOW WHERE TO ABIDE**

I know where to abide  
You are there within me  
That is where You reside  
That is where Your love will await me  
As You draw me to yourself  
Your love is so sweet  
Sleeping with You I do find  
You awake me with Your love  
Within where You abide  
Darkness may try to cover me  
My soul hides in You  
From within where You will be  
Your presence inside envelopes my soul  
Keeps me peaceful and shields me  
From the outward cold  
Affliction continually assails me  
Your presence from within  
Keeps my sanity

Cause me to stay in Your rest  
As I lean very closely  
Deep inside Your Holy breast  
I know no other but Thee  
You know me better than anyone  
And how to be with me  
My ways are all before You  
I am different from anyone  
I am very unique

### **Rest My Child**

Rest my child,  
And know that I am in your heart  
To complete the work in you  
from the beginning I did start  
You are striving so hard  
to do what only I can do  
You need to except yourself  
the way I have accepted you  
See yourself as righteous  
Knowing it is true  
For I see you as righteous,  
I find no flaw in you  
Accept My will, in whatever comes your way  
Acknowledge Me in all you do  
and know that I will make your paths straight  
As I go ahead of you  
I will lead you in all your ways  
and show you what I want you to do  
each and every day  
Continually come before Me in prayer  
You are always in My presence  
For in your heart I am there  
where I have made My residence

### **You Have Been Waiting For The Messiah To Come**

You have been waiting for the Messiah to come  
And you have waited all your life for Him to appear  
Only to find out to late, that He already came  
after waiting for Him for so many years  
To find out the scriptures that pointed to Him  
were fulfilled and made very clear  
And you had passed it all up, without taking a second look  
Only to leave this life, you now realize with awesome fear  
He was Yeshua the Messiah you forsook  
And now you are filled with regret, anguish and tears  
It is then the scriptures come alive  
as you see Him face to face  
You finally realize you were so blind  
and made a serious mistake  
When you behold His nail-pierced hands  
As the One whom the Psalms had wrote about  
Who became the ultimate sacrificial lamb  
As King David's writings describe how  
The One Who was spoken of through Moses writings  
When Yeshua said, "Before Abraham was I Am"  
He is the Messiah you missed by rejecting  
Who could have led you into the promised land

### **Our Sin Offering**

In the Torah we read,  
"A man committing a sin is worthy of death,  
and shall be hung upon a tree"  
And yet the guiltless took our shame  
and bore the sins of many  
What was engraved by the finger of Elohim  
upon two tablets stone, could not be kept,  
bringing to all, the death penalty  
But the One who was crucified,  
being nailed to the altar of a tree  
became the sacrificial lamb  
Our sin offering  
His blood that was shed for all  
remains as fresh as dew  
With an inscription at the top that read,  
Yeshua of Nazareth, King of the Jews

### **Afterward**

The spiritual poetry writings in this book are done using the Hebraic names of God.

Instead of Jesus, Yeshua is used. Likewise rather than the generic title Lord, His Hebrew name Yehovah is used. I have also used chosen not to use the rather generic term God, and have used the Hebrew, Elohim.

This book, is dedicated to Yeshua the Messiah, who has kept me through many various trials.

These poetry writings were done when the trials of life became very challenging.

I had been a believer in Yeshua (Jesus) for many years, still I hungered for a more closer walk with Him. So I prayed a simple prayer, with my whole heart asking Him for a closer walk with Him.

As I was in His word, the scripture verses from Isaiah 43:2 seemed to pop right out of the pages at me. The words that grabbed my attention were in verse two.

“And if you pass through water, I am with you; and the rivers shall not overflow you; and if you go through the fire, you shall not be burned; the flame shall not burn you.”

I was excited the way He spoke out of His word to me, but was puzzled over what it meant.

The next day it hit me, then I knew what it meant. That started me on a whole new journey walking with Yeshua through it.

What it did was have me pray and cling to Yeshua more than ever before, with a hunger to read more of His word.

Shalom, my dear readers
